Dear Larchmont Mamaroneck Community Member:

We'd like to invite you to sponsor a team in the Larchmont Mamaroneck Basketball Association for our upcoming 2009-2010 season.

Our league was established to offer all kids in the community a chance to learn and play basketball. LMBA clinics (for boys and girls in grades one through three) teach players the fundamentals of basketball, and our leagues (grades four through high school) offer weekly games and practices. Our league is truly a community affair, a recreation league focused on participation and sportsmanship, and a cause you can feel great about supporting.

Over 1,000 kids, from first grade through high school, played in our nonprofit community recreation league in the 2008/2009 season, and planning is well under way for our upcoming season. As our league continues to grow, your support is more important than ever. With your help, we can keep our player registration fees reasonable for local families, as well as provide scholarships for kids who need them.

To recognize your support, each sponsor's name appears on team T-shirts and on our website, LMBAbasketball.com. At the conclusion of the season you will receive a plaque with a picture of the team you sponsor.

Sponsorship for the upcoming season is only \$175 per team. If you would like to join us this season, please fill out the attached sponsor registration form and mail to the LMBA in the envelope provided. If possible, please respond by November 1. Multiple sponsorships are always welcome!

If you have any further questions about the league or sponsorship, please call or email me. Thank you for considering support of the Larchmont Mamaroneck Basketball Association -- we couldn't do it without you!

Regards,

Matthew Jacobs (H:914.833.2143 W:203.221.4835 [jacobs@aigfpc.com](mailto:jacobs@aigfpc.com))

P.S. If you decide not to participate this year, please keep us in mind for next year!
